

From the Pastor

October 2009

Dear Church Family,

What a wonderful time of revival we are going to have October 4-7! I am looking forward to God working in our lives as well as the lives of those in our community. The group that will be leading us this next week, the Akins, is a very talented family that I know will bless your heart as God speaks through them. I hope that you will be in deep prayer before and during the revival for God to work in the hearts of those attending. I also hope that you will invite people to come and let God speak to them!

It is very good to see so many adults coming again to our Discipleship Training class on Sunday nights. We have been studying God's Word through the study "Crazy Love" by Francis Chan. Those who have started in the study need to keep coming and learning about the "crazy love" we are to have for God. If you haven't come yet to one of the classes then it is not too late to start. Come and learn from God's Word.

I also want to talk to you about Sunday School. Sunday School is not a thing of the past. It is a tremendous tool to help us grow spiritually, grow in fellowship with each other, and grow numerically by reaching out to the community. Many times we think that Sunday School is just for learning the Bible, but it should be so much more than that. It should also be the place that you get to know other Christians and lean on each other as we live the Christian life together. God does tell us in His Word, "Let us not give up meeting together as some are in the habit of doing, but let us encourage one another..." We need great encouragement from one another. What most people don't understand is that Sunday School should be the vehicle for great evangelism through the church. It should be the goal of every class to reach out to those in the community who don't have a church home or don't know Christ as their Savior and Lord. When a Sunday School class grows then eventually it will get to a point where another Sunday School needs to be birthed. Everyone knows what a joyous occasion it is when a child is born into this world. It is also an exciting time when a new Sunday School class is born. When we work in this way we multiply as the Scriptures tell us we need to be doing. Over this next year there will be training for teachers and those that want to see Sunday School grow. I hope that your Sunday School class will be excited about moving closer to being the class God wants you to be. Let's pray for our Sunday School together and make it the very best it can be.

In Christ,

Pastor Jeff

Broad Street Baptist Church exists so that people may glorify God as they mature in their faith, love one another, actively serve, and boldly speak of Jesus at home and around the world.

Notes from the Minister of Music

I am looking forward to our revival with the Akins! I am praying that the Lord uses this family in mighty ways here at Broad Street. They will be using music and the spoken word to minister to us on October 4th-7th. On Sunday the 4th, the group will be leading us in both the morning and evening services. We will be meeting on Monday -

Wednesday at 7:00pm, when these talented men will lead us in worship and in the proclamation of the Word each night

We need your help! We want to fill the sanctuary up for each of these services. Please invite neighbors, friends, enemies, strangers, family members, and anyone else (except animals) you can think of to this wonderful time of renewal.

Invite, invite, invite!

Also, be in prayer for this event. Pray that God will change lives! Pray that people, who do not know Jesus as their personal Lord and Savior, will be convicted of their sins and give their lives to Him. Pray that others will have a closer walk with the King of kings and Lord of lords as a result of this revival. Pray that God will be worshipped in spirit and in truth. Pray, pray, pray!

Blessings,
Eric Woods

Let the word of Christ dwell in you richly, teaching and exhorting one another with all wisdom, singing psalms, hymns, and spiritual songs, all with grace in your hearts to God.

I thank each of you for the many prayers, cards, phone calls, and visits made during my recent surgery. My new birthday date is July 8, and I have named my liver Flossie. It has to be a girl. Also, pray for the family that donated my organ. I thank God each day for my journey and praise Him for caring for even me.

Love in Christ,

THE WRITINGS OF A YOUNG LOOKING FELLOW

ONCE UPON A TIME, a young-looking fellow sat and typed. What, he thought, shall interest today's parents and what shall they find to be of importance? The young-looking fellow determined his topics and thus began...

LET US BE A BOLD WITNESS!

Germany is in much need of Christ. A team of 15 people is needed for next year's youth summer mission trip. Interested parties must let Billie know by October 4th if they wish to join this expedition.

LET US GROW A DEEP FAITH!

The 2.6 Challenge. This Fall, the students are challenged to invest 2.6% of their awake week, 3 hours, in the Student Ministry. This means faithfully attending each week's Sunday School hour, Sunday night H.O.P.E. hour, and Wednesday night's Midweek Worship hour. The young-looking fellow typing thought it important to encourage all parents to bring their teenage children to these 3 hours each week, as it will help them, for sure, to grow into lifelong disciples of Jesus Christ.

LET US BUILD STRONG BONDS!

The Dogs, Smores, and Capture the Flag Fellowship is October 10th, at 7:00 pm, CLC pavilion. We will roast hotdogs and smores over a fire, and when it's dark, we'll play capture the flag. The young-looking fellow says students should sign up in the youth area upstairs.

The Rock Ranch Trip is scheduled for October 31st. With a corn maze, pumpkin and corn cannons, and more, this journey is destined to be a treat. Cost is \$15 to get in and \$10 is needed for lunch and supper, as food is inexpensive at the Rock Ranch. Owned by Chick-fil-A, this fun place will be hosting their annual "Not So Spooky Halloween Festival" while we are there. Students **MUST** sign up for this event. Those going should meet at church at 8:30 am (eat prior) and shall leave at 9:00 am sharp.

The young-looking fellow smiled, knowing his people were well informed.
